GRASSROOTS™

where the dream begins

Did you know that we can fully fabricate our Grassroots™ Series to your specific dimensions. Ask us about our custom designs and features including Clear Acrylic Panels and L.E.D. Lighting.

The Grassroots™ system is a permanent or demountable arena for outdoor, indoor, commercial or residential use. The system is an easy setup/takedown bolt together arena, capable of low profile storage.

With Grassroots™ you can start small and continue to expand year after year. Our packages are completely customizable making it the most affordable and durable option for family fun all year long.

STANDARD RINK PACKAGE INCLUDES:

- Heavy-Duty galvanized steel frames
- Cladded in durable UV treated HMWPE
- Coloured sill tops and kick strips in UV treated HDPE
- Galvanized steel footing systems (Temporary or Permanent)
- All related hardware
